- All artwork must be original, made by the artist submitting the contest entry. Only original designs, not previously published, will be accepted.
- Files must be saved as the entrant's full name. For example: John-Doe.jpg
- The City of Hermiston logo will be added to the bottom section of all final banner artwork at time of fabrication. Please bear that in mind when creating your artwork (See Page 3 for placement and approximate size).
- All design entries must be vertically-oriented as banners will be hung vertically. Full banner size will be 18” X 36” with original art fitting into a 18” X 20” space, so designs should maintain the same proportional scale; for example, 9” X 10”
