

## HERMISTON SAFETY ACTION PLAN

Hermiston wants to make streets safer for all so you and your family can drive, walk, bike, and roll safely.

**Help Hermiston by providing feedback in the Safety Action Plan!**

**42** lives have been lost or seriously injured on Hermiston roadways between 2018-2023

## What is the Hermiston Safety Action Plan?

The plan will identify safety improvements to reduce fatalities and serious injuries on the City's transportation system for people driving, biking, walking, and rolling.

The Safety Action Plan applies the Safe Systems Approach to transportation by shifting the mindset from injury prevention to crash prevention by anticipating risks and applying countermeasures to stop crashes before they happen.

### PLAN FEATURES

Funded by a federal grant, this safety action plan will:

-  Bring together an advisory committee to help guide the plan's development.
-  Set a goal to aim for zero fatal and serious injury crashes.
-  Understand current trends, policies, and needs.
-  Gather community input.
-  Develop safety strategies and an implementation plan.
-  Establish and track performance measures to monitor safety over time.
