A petition to form the _____ Neighborhood Association, consisting of residents, businesses, and property owners within the area of _____ in the City of Hermiston, Oregon.

With a belief that we as an "Association" can work as a whole to maintain and enhance the health, safety, and living conditions of our neighborhood. We strive to represent a consensus of the citizens; and that while the voice of one may be heard; the voices of a majority are far louder in addressing our concerns and achieving just solutions.

We agree to remain a free organization, to maintain an open meeting policy, and to elect our officers during the general membership meeting.

To facilitate open lines of communication between our leadership and the City of Hermiston, we will provide the contact information of our officers. In return, the City of Hermiston will provide direct notice to our leadership whenever a purposed land use action occurs that may impact the citizens within our boundaries; thereby, allowing our "Association" to address the action.

While maintaining our annual meeting, we reserve the right to meet whenever a citizen within our boundaries shows a need to address a single or common concern. Through our leadership, we will strive to obtain just resolution.

Thus we the citizens, businesses, and property owners file this petition to form the _____ Neighborhood Association in the City of Hermiston, Oregon on ____ day of ____ 20__.
