Additional instructions for the Transient Room Tax

The Transient Room Tax is a separate tax from the Tourism Promotion Assessment. The tax and assessment must be paid separately. Both the tax and assessment are to be collected and submitted to the City entirely by the entity which collected the rent from the traveler.

If the business is disposed of or suspended, a closing return must be filed immediately at the Finance Department at City Hall, and the tax must be paid. No change of ownership can be recorded until this is done.

If no tax is due, please indicate that on this form, sign, and return it to City Hall.

Additional information regarding Delinquencies, Penalties, and Interest can be found in Hermiston Municipal Code Chapter 112.
